ARCHITECTING PROJECT MANAGEMENT

craft the future...

PMI Bangalore Chapter, one of the fastest growing chapters in Asia Pacific brings you one of the largest Project Management Events **PMPC 2008**.

PMI Bangalore Chapter's ongoing activities symbolize the quest for learning and sharing. **Project Management Practitioners' Conference** is the high point of the chapter's activities for the year.

PMPC 2008 takes forward the successful momentum of PMPC 2006 & 2007 conferences. PMPC is designed for Project Management Practitioners and is one of the most awaited and prestigious PM conferences of the year in the sub continent. PMPC is a cross industry forum for PM Practitioners, Thought Leaders and Product Vendors to Share, Learn and Interact. The conference brings Project Management learning from large projects to help realize the value of Project Management in the Enterprise. The conference also brings together Project Management Practitioners and the key stakeholders namely - Industry, Academia, Government and Society.

ABOUT THE PROJECT MANAGEMENT INSTITUTE

The Project Management Institute (PMI) was established in 1969 and is headquartered in Newtown Square, Pennsylvania, USA.

With more than 260,000 members in 171 countries, the PMI is the leading not-for-profit membership Association for the project management profession and the largest association dedicated to Project Management in the world.

As the leading advocate for the profession, PMI is actively engaged in setting professional standards, providing a professional career path for Project Managers and maintaining a family of globally transferable professional credentials.

PMI BANGALORE CHAPTER

PMI Bangalore India Chapter was founded in 1998 and has grown to over 2000 members in past 10 years.

Regular meetings, programs and workshops of the chapter are generally published in our website.
